## Available Technologies ready for commercialization

- Fried Food Strips from Jackfruit Peel
- Keseo with Probiotics and Malunggay
- Burger Patty with Jackfruit Pith Extender and Jackfruit Seed Flour
- Ice Cream with Buko and Ube
- Vacuum Fried Jackfruit Seeds
- Jackfruit Peel with Squash Jam
- Natural Coating Composition Aqueous *Averrhoa Carambola* L
- Natural Coating Composition From Acetic Acid *Averrhoa Carambola* L
- Probiotic Fish Keseo
- Nata from Milk Whey
- Tuna Flakes with Jackfruit Rags as

### Extender

- Jackfruit Wine
- Jackfruit Coffee
- Jackfruit Marmalade
- Luncheon Meat Using Rice Bran as Extender
- Sweetpotato Wine
- Vacuum Fried Sweetpotato Chips
- Sweetpotato Bread
- Taro Wine
- Sugarless Dehydrated Jackfruit Pulp

### Non-Food Products

- Natural Coating Composition from Ethanolic Starfruit Leaf Extract
- Biological Control of Abaca (*Musa* Textiles) Aphid
- Natural Coating from Aqueous Hagimit (*Ficus Minahassae*) Extract to

### Increase Shelf-Life of Vegetables

- Natural Coating from Ethanolic Hagimit (*Ficus Minahassae*) Extract to Increase Shelf-Life of Vegetables
- Natural Coating from Acetic Hagimit (*Ficus Minahassae*) Extract to Increase Shelf-Life of Vegetables
- Natural Coating from Ethanolic Cat's Whisker Extract to Increase Shelf-Life of Vegetables
- Natural Coating from Acetic Acid Cat's Whisker Extract to Increase Shelf-Life of Vegetables
- Natural Coating Composition from Ethanolic Starfruit Leaf

### Extract

- Composition of a Natural Coating from Ethanolic Cat Whisker (*Orthosiphon aristatus*) Extract to Increase Shelf-Life of Vegetables
- Composition of a Natural Coating from Acetic Acid Cat Whisker (*Orthosiphon aristatus*) Extract to Increase Shelf-Life of Vegetables
- Natural Coating From Aqueous Cat's Whisker Extract to Increase Shelf-Life of Vegetables
- Portable Vacuum Fryer
- Composition of a Natural Coating from Ethanolic Acid Hagimit (*Ficus Minahassae*) Extract to Increase Shelf-Life of Vegetables
- Composition of a Natural Coating from Acetic Acid Hagimit (*Ficus Minahassae*) Extract to Increase Shelf-Life of Vegetables
